

## Student Achievement

**Ms. Arsheya (Class 7) K.V.Aliganj, Lucknow**

Country's premier institution Indian Space Research Organization (ISRO) organized all India level competitions "ISRO Cyberspace Competitions (ICC-2020)" for students to nurture their interest towards space science.

In these competitions, an all India level "Model Making/ Science Craft Competition" was organized for Class 6 to 8.

In this competition Ms. Arsheya (Class 7) stood 3rd in all India ranking.

She made a model of LVM-3 (GSLV Mk.3), an Indian launch vehicle capable of launching satellite into geosynchronous transfer orbit.
